27	Greg Harris	2	OD			

A good turnout and a dry morning - apart from at about 12:30 just as most people finished. All seemed to enjoy themselves. Well done to the 5 who managed to get all 87 main photos but also to the 2 new to orienteering teams who took on the challenge. Apologies for control 22 where the circle was centred on the wrong side of "The Squirrel" - the result of a late change of photo.

Bruce and Liz
